

If not, you should upgrade your

swimming pool equipment!

By simply installing an energy efficient Pentair Intelliflo® pump, you could reduce your energy cost from 28¢ to 3¢ per hour!*

Testimonials of Savings: www.SteveThePoolman.com

Hire Standards Pool Construction, Inc. is dedicated to energy efficient swimming pools. When you install an Intelliflo® pump, we guarantee the following:

- Intelliflo®, when managed correctly, will pay for itself in 12 months time.
- Intelliflo® will cut noise output by 90%.
- Intelliflo® has the ability to do all this and deliver the sights and sounds of your water features for 20 hours a day!
- The City of Palm Desert will pay you \$500 when you upgrade to an Intelliflo® pump - we do the paperwork!
